THE FULBRIGHT PROGRAM

Connecting people. Connecting nations.

The Fulbright Program is the U.S. government's flagship international educational and cultural exchange program.

For more than 73 years, the Fulbright Program has offered opportunities for passionate and accomplished individuals of all backgrounds. Fulbrighters enrich their educations, advance their careers, and make meaningful contributions to communities abroad and at home.

The Fulbright Specialist Program, a part of the larger Fulbright Program, was established in 2001. The program pairs highly qualified U.S. academics and professionals with host institutions abroad to share their expertise and develop institutional linkages.
