

Reaching 90-90-90 in South Africa Part III: Best Practices and Innovations in
Linkage, Treatment and Viral Suppression
May 31 - June 1, 2016
Pretoria, Southern Sun Hotel

health

Department:
Health
REPUBLIC OF SOUTH AFRICA

DAY 1: Aligning Clinical and Community Approaches to Achieve 90-90-90

08:00 - 08:30	<i>Tea, Registration</i>		
08:30 - 08:45	<i>Opening Remarks</i>	<i>Dr. Yogan Pillay and Steve Smith</i>	<i>NDOH and DHHS/PEPFAR</i>
SESSION 1: INTRODUCTION: SOUTH AFRICA 90-90-90 CASCADE			
08:45 - 09:00	Priorities for HIV Testing in South Africa	Yogan Pillay	NDOH
09:00 - 09:15	90-90-90 Update	Eva Kiwango	UNAIDS
09:15 - 09:30	90-90-90 and NDOH District Implementation Plans	Batanayi Muzah	NDOH
SESSION 2A: SECOND 90: CLINICAL AND COMMUNITY BEST PRACTICES IN CARE AND ART INITIATION			
09:30 - 09:45	Automated Analytics for Implementing Partners to Effectively Impact Patient Outcomes	Bernard Katz	Broadreach Healthcare
09:45 - 10:00	Initiating ART at a Patient's First Clinic Visit: the RAPIT Randomized Trial and Effect of Eliminating CD4 Thresholds on Numbers of New ART Initiators in South Africa	Lawrence Long	Health Economics and Epidemiology Research Office (HE2RO)
10:00 - 10:15	Cost Implications and Potential Benefits of Using Roving Mentor Teams to Strengthen HIV and TB Clinical Management in Public Sector Primary Care Clinics	Suzanne Johnson	Foundation for Professional Development (FPD)
10:15 - 10:45	Moderated Discussion	Peter Vranken	CDC/PEPFAR
10:45 - 11:15	<i>Tea Break</i>		
11:15 - 11:30	Strengthened and Uniform Approach to the Continued Roll-out of the NIMART Programme	Anthony Mutiti	ICAP at Columbia University
11:30 - 11:45	The Use of SWAT Teams to Facilitate Linkage to ART/Care and the Impact of Patient Outcomes in the Eastern Cape Province	Sisanda Gaga	Beyond Zero
11:45 - 12:00	Community Health Worker Engagement for Improved Linkages, Retention, and Defaulter Tracing	Angela Tembo	Witkoppen Health and Welfare Centre
12:00 - 12:15	Innovations in Peer Navigation Approaches at the Community Level in Bojanala Platinum District, North West Province	Jessica Grignon	International Training & Education Center for Health (I-TECH)
12:15 - 12:30	Moderated Discussion	Peter Vranken	CDC/PEPFAR

12:30 - 13:15 PANEL 1 Discussion: GP/Private Sector Engagement Model	Lessons Learned from Right to Care's GP Engagement Model	Thapelo Maotoe	Right to Care
	GP and Private Sector Engagement Model - GP CareCell	Bulelani Kuwane	Aurum Institute
	Private GP Provider Adherence Model	Shuabe Rajap	Broadreach Healthcare
	GP Viewpoint of the Engagement Model	Siraaj Adams	Metropolitan Health
13:15 - 14:15	Lunch		
SESSION 2B: THIRD 90: COMMUNITY AND CLINICAL APPROACHES FOR IMPROVED ADHERENCE, RETENTION, AND DIFFERENTIATED CARE			
14:15 - 14:30	Pharmaceutical Dispensing Units for Improved Access to ARVs	Shabir Banoo	Right to Care
14:30 - 14:45	Results from Central Chronic Medicine Dispensing and Distribution Programme (CCMDD) Roll-out	Ricardo Kettleidas	NDOH
14:45 - 15:00	Results and Successes of the CCMDD roll-out to date from a Partner's Perspective	Helecine Zeeman	Health Systems Trust (HST)
15:00 - 15:15	Differentiated ART Care Model	Prineetha Naidoo	Maternal Adolescent and Child Health (MATCH)
15:15 - 15:30	Patient Advocates Model for Retention	Geoff Fatti	Kheth'Impilo
15:30 - 16:00	Moderated Discussion	Joan Littlefield	USAID/PEPFAR
16:00 - 16:30	Tea Break		
16:30 - 17:15 PANEL 2 Discussion: Adherence Clubs	ART Adherence Club Model in the Western Cape	Suhair Solomon	Medicines Sans Frontiers (MSF)
	Best Practices and Strategies Used to Scale Up Adherence Clubs Across the Country Under the National Adherence Guidelines, Challenges Encountered, and Patient Outcomes as a Result of the Decanting Approach	Seithati Molefi & Marnie Vujovic	Right to Care
	Rapid Scale-up of Adherence Clubs in Lejweleputswa District	Sibongile Shezi	Health Systems Trust
	Lessons Learned During the Implementation of Adherence Clubs, Including Patient Satisfaction Studies and the Preferred Adherence Support Model	Joel Steingo	Witkoppen Health and Welfare Centre
17:15 - 17:30	Closing Remarks	<i>Peter Barron</i>	<i>NDOH</i>

DAY 2: Universal Test and Treat- Achieving Universal Viral Suppression

08:30-08:45	<i>Opening Remarks, Recap of Day 1</i>	<i>Jacqueline Burgess</i>	<i>DHHS/PEPFAR</i>
08:45 - 09:00	Improve Viral Load Testing and Suppression – Ekurhuleni District	Bulelani Kuwane	Aurum Institute
SESSION 3: UNIVERSAL TEST AND TREAT - POLICY INFORMING PRACTICE			
09:00 - 09:15	2015 Guidelines on When to Start ART and Pre-Exposure Prophylaxis	Busisiwe Msimanga	WHO
09:15 - 09:30	National Adherence Guidelines	Mokgadi Phokojoe	NDOH
09:30 - 09:45	Lessons Learned from PopART Regarding HCT Uptake, Adherence and Retention, and Viral Load Suppression	Kerry Nel & Blija Yang	NDOH, Western Cape & PopART
09:45 - 10:00	Moderated Discussion	Patrick Nadol	CDC/PEPFAR
SESSION 4: ACHIEVING VIRAL SUPPRESSION			
10:00 - 10:15	Factors Affecting Interoperability Between Health Information Systems in South Africa	Robert Allen	Measure Evaluation (MEval-SIFSA) Project
10:15 - 10:30	Integrating and Optimising Lab Services: Innovations in Results Access and Programme Performance Monitoring	Wendy Stevens	NHLS
10:30 - 10:45	Advanced Clinical Care (ACC) Program	Kogie Naidoo	CAPRISA
10:45 - 11:00	Moderated Discussion	Patrick Nadol	CDC/PEPFAR
11:00 - 11:30	<i>Tea Break</i>		
11:30 - 12:15 PANEL 3 Discussion: Viral Load Suppression	Innovation in Identifying and Managing Unsuppressed Viral Load – Sharing Best Practice Strategies/Processes for the Early Identification of Patients with Unsuppressed Viral Loads Using Tier.net	Chazanga Tembo	Kheth'Impilo
	Communication Strategies for Viral Load Suppression	Ganizani Mlawandi & Raphael Ohams	Right to Care
	Smart Linkage to Care (Smart LtC) App	Michelle Moorhouse	Wits Reproductive Health and HIV Institute
	Impact of Phase 6 Tier.net Rollout on Viral Load Uptake and Virologic Outcomes in the Eastern Cape Province	Sisanda Gaga	Beyond Zero
12:15 - 12:30	<i>Closing Remarks</i>	<i>Steve Smith</i>	<i>DHHS/PEPFAR</i>
12:30 - 13:30	<i>Lunch</i>		
SESSION 5: Plan of Action Session (By Invitation) (13:30 - 16:30; Tea Break at 15:30)		Report back from Rapporteurs from session 2A, 2B, 3 and 4. Development of Plan of Action
